# 表達藝術治療計劃

## EXPRESSIVE ARTS THERAPY PROGRAMME

由2013年起，SAF開辦 Make It Better (MIB) 支持弱勢特殊學習需要兒童 (SEN) 及其家庭福祉、教育與生活技能的公益計劃，助他們更容易融入主流教學環境。

為進一步擴大受益兒童的數目及推廣融合教育，治療服務更發展至照顧者，並與資深的藝術治療/表達藝術治療專家開辦培訓計劃予夥伴機構及學校。

Since 2013, SAF has launched the Make It Better (MIB) programme, an initiative to support the well-being, education, and life skills of disadvantaged children (SEN) and their families, helping them integrate more easily into mainstream educational environments.

To further expand the number of benefiting children and promote inclusive education, the therapeutic services have also developed to support caregivers, offering training programs in collaboration with experienced art therapy/expressive arts therapy experts for partner organizations and schools.
